Hi Alex,

How was Washington? Are you happy to be back in Peru?

I'm at a small language school in Boston. The students here are from many different countries. My teachers are from the United States, Canada, and Ireland. They're great. My house is next to a nice park.

Boston is an old city. My favorite place is the market opposite the school. It's great for fruit juice and sandwiches at lunchtime! In the mornings, on Mondays to Fridays, I have English classes at nine o'clock. In the afternoons, I visit places near Boston.

In the evenings, I'm with my friends. We go to a cafe opposite our school. It's really great.

On Tuesdays, we have sports. My favorite day is Thursday—it's movie night!
